

Developing Excellence in Academics and Athletics

I have read and understand the Kalani Baseball, and the Kalani Athletic Department handbooks. I will follow all rules and expectations cited in both handbooks. My parent(s) and I accept the rules and regulations and are committed to working toward a successful season.

I agree to allow Kalani Athletics and Kalani Baseball to use my sons/daughters photos and videos in the promotion of athletic activities in print materials and electronic media while representing Kalani High School Athletics.
